HOSPITALITY

Flokk is one of Europe's leading producers of high-quality seating solutions. We create beautiful, functional furniture that seamlessly fit into all kinds of professional and public environments.

At Flokk, we are committed to producing furniture with a timeless design and minimal environmental impact, allowing us to offer long-lasting products with low emissions that help reduce environmental impact – both for us and our customers.

Our headquarters is in Oslo, with a global presence spanning 15 locations across four continents. The renowned Norwegian brand HÅG is manufactured in Røros, and our five other production sites are located in Sweden, the UK, Poland, and the USA.

We have extensive experience supplying furniture for conference halls, meeting rooms, and lounge areas within the hospitality sector. Through a variety of brands, each with its unique specialties, we offer a wide selection of sofas, benches, stools, chairs, spatial solutions, and other furniture, perfectly suited to environments where people come together.

HÅG merges balanced movement and visual design that ensures movement while seated without having to think about it.

RH chairs are a unique blend of design and ergonomic function, where the users need for movement, comfort and support always is the top priority.

With a history going back to 1872, Giroflex has always been a front-runner within outstanding Swiss quality and craftsmanship, with focus on high ergonomic and ecological standards.

We develop furniture with sustainable, functional and attractive design for modern meeting places. Our collection enables interiors that stimulate creativity in meetings between people today and tomorrow.

Profim knows that true comfort is derived from a combination of ergonomics, technology and aesthetics. These are the things that every work place requires. Every chair too.

We design and manufacture innovative commercial furniture that adapts to the ever-changing ways in which people effectively work and learn.

We apply our experience together with an enterprising, inventive spirit. With a dedicated team, we prioritize customer interaction, enabling swift improvements in product aesthetics, performance, and service.

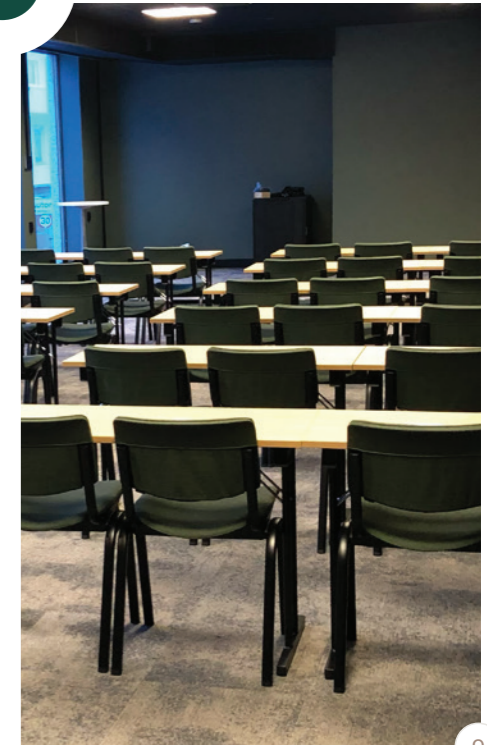

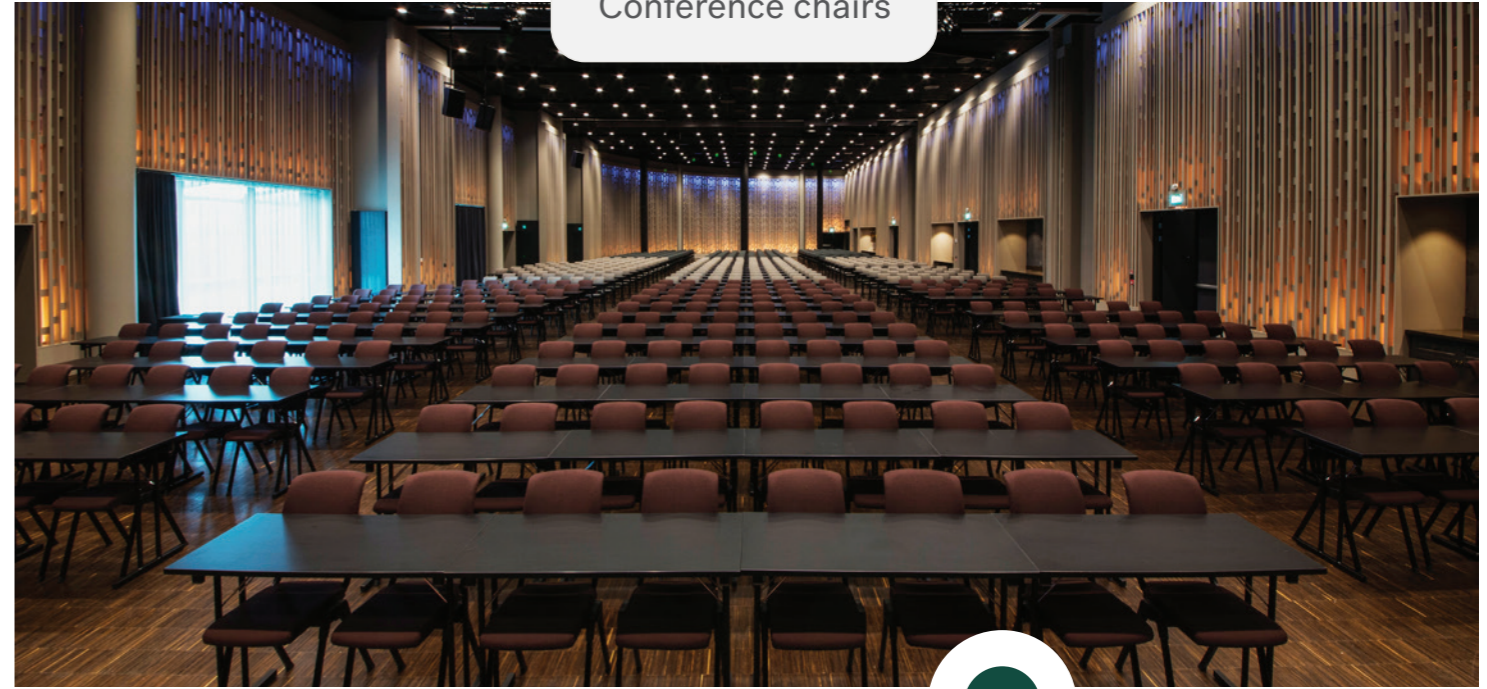

9to5 Seating specializes in the design and production of ergonomic office seating to accommodate the rigorous demands of today's office environments.
