WAY OF DESCRIBING CONFIGURATION OPTIONS IN THE GUIDE

Example sofa: Circulus 3 seater SB120

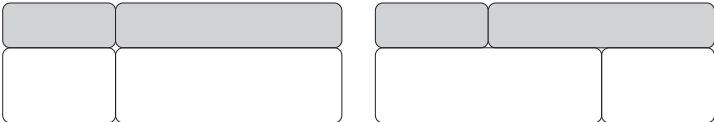

Seat upholstery options

1. Single seat

2. Double + single seat

3. Triple seat

Backrest options

Low backres as standard, high backrest available as option for all configurations:

Low backrest - Standard

High backrest - Optional

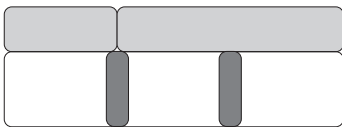

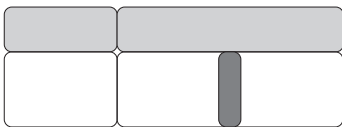

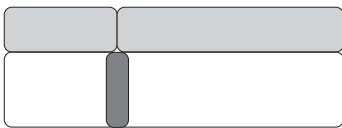

The seat upholstery can be configured as an option. The upholstery on the backrest is only available as an element of the configuration of a particular system, then the backrests can be connected or separate.

If the Circulus sofa configuration has a combined backrest, we configure it as low (standard) or high (optional) as a whole unit.

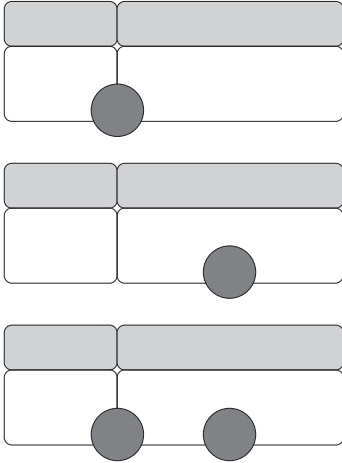

Places where armrest installation is possible*:

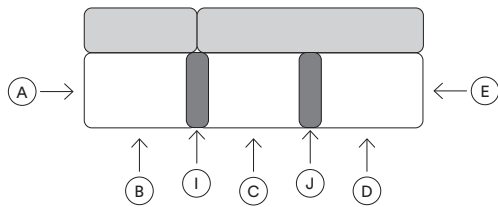

*The armrest upholstery is always the same as the seat.

Places where installation of the rectangular and round table is possible*:

*It is possible to install an armrest and a table at the same time.

Possible placement of power outlets:

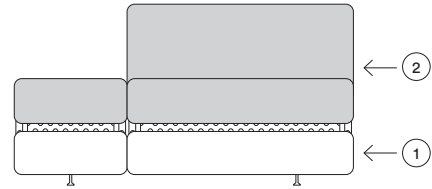

Power outlets can be positioned in various locations, with the following guidelines:

- Front of the seat panel (placement on the rear of the backrest is not permitted). Position from the presented example B, C and D.
- Sides of the seat (not possible when connecting modules). Position from the presented example A and E.
- Armrest. Position from the presented example I and J.

Limitations:

- Ottomans: Two ports cannot be placed on opposite sides.
- A maximum of two power outlets per sofa.

Upholstery:

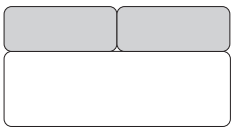

Different fabrics are possible. If you mix fabrics from different price groups, please contact Sales Support for an accurate offer. Refer to:

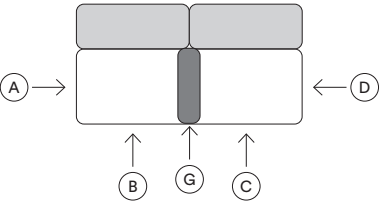

- Seat (element no 1) and
- Backrest (element no 2) when selecting the fabric.
